Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 and §1.97 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby invite the Examiner's attention to references A13-A101, B14-B71, and C118-C450 listed on the attached revised form PTO 1449 entitled "List of References Cited by Applicant."

Attorneys for Applicants believe that the English language abstract included with any non-English language references submitted in this or any previously filed Information Disclosure Statements in the above-identified application are also sufficient for

compliance with 37 C.F.R. § 1.98(a)(3). Applicants will provide additional information regarding these references upon request by the Examiner.

Identification of the listed references is not meant to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application.

Applicants respectfully request that the Examiner review the listed references and that the references be made of record in the file history of the above-identified application.

Pursuant to 37 C.F.R. § 1.97(c), since this information disclosure statement is being filed after the mailing date of a first Office Action on the merits, a fee of \$180.00 is believed to be due in connection herewith.
